Corrections to the paper

THE THEORY OF HEREDITARY MECHANICS BY VOLTERRA.
A MILESTONE FOR THE ANALYSIS OF STRUCTURAL EFFECTS OF TIME-DEPENDENT BEHAVIOR OF CONCRETE

by Mario Alberto Chiorino,
published in the Proceedings of the International Scientific Conference BASA '2025 at pages 61-87

In the whole text the notation $t^{/}$ must be changed to the notation t' which is used in the equations

Page 71, line 8 from bottom

$d\varepsilon_{\sigma}(t/)/dt^{/} = [d\varepsilon_{\sigma}(t^{/})/dt^{/}]dt^{/}$ must be changed to $d\varepsilon_{\sigma}(t') = [d\varepsilon_{\sigma}(t')/dt']dt'$

Page 76, line 13 from bottom

$t_i > t_0$ must be changed to $t_i > t_0$,

Page 77, second line from bottom

t0 must be changed to t_0

Page 78, line 7 after Equation (8)

cancel the round bracket after $\xi(t,t_0,t_i)$

Page 80, line 11 from bottom

change $R(t,t')$ to $J(t,t')$

Page 82, line 23 from top
